## OVERVIEW

### **1 What is Kita-untuk-Kita (K2K) Programme?**

1.1 *Kita-untuk-Kita* (K2K) is a ground-up programme that seeks to improve the lives of public housing communities. The K2K programme aims to get communities more involved in the management of their public housing complex. This allows communities, alongside building management, solve social, economic, and physical challenges collectively. The K2K Programme has four critical areas:

- a. Community Empowerment
- b. Public housing Co-management
- c. Economic and Livelihood
- d. Policy Reform and Advocacy

1.2 The K2K programme intends to build a sense of belonging and strengthen the network of cooperation among public housing communities. A socially cohesive community can ensure that the interventions carried out meet community needs and has a positive impact on the community.

### **2 What is Geran Komuniti K2K?**

2.1 *Geran Komuniti K2K* aims to provide an opportunity for public housing communities to play a direct role in improving the liveability of their housing. This grant is targeted at the 10 K2K Programme public housing locations (please refer to section 6 of the terms of reference). Residents in these 10 locations are encouraged to form groups and/or associations to apply for this grant to implement their proposed projects. This grant is also open to non-residents who have relevant ideas for the social development of the community.

### **3 What are the objectives of Geran Komuniti K2K?**

- 3.1 Help K2K's targeted public housing communities address their priority issues.
- 3.2 Build social cohesion and instil a sense of belonging within the communities of the public housing.
- 3.3 Promote knowledge exchange amongst public housing communities and develop networks that enable public housing communities to have better access to services and resources that promotes the communities' social development.
- 3.4 Promote innovative techniques, conflict resolution mechanisms, methodologies, or new capacities to strengthen overall public housing management.

3.5 Create safe and healthy spaces in the public housing complexes for community members to interact and strengthen community spirit.

#### **4 Who can apply for the grant?**

4.1 This grant programme is targeted at the residents living in the 10 targeted public housing under programme K2K, and to experts and organisations interested in uplifting the liveability of amongst public housing communities. These two categories are:

4.1.1 **Public housing residents** from the 10 K2K sites, to apply as a group/ community-based organisation (formal or informal).

4.1.2 **Non-residents**, in the form of experts, civil society organisations, collectives, educational institutions, and firms. Applicants should identify and gain support from the public housing community involved with the K2K Programme before applying.

4.2 The lead applicant must assume full administrative and fiduciary responsibility and be actively involved throughout the duration and processes of the whole project cycle.

#### **5 What does the grant support?**

5.1 The *Geran Komuniti K2K* supports various grant sizes depending on the nature of the project and its approaches to address public housing community's needs, aligning with the grant's themes.

5.2 All grants will be evaluated on a case-by-case basis. Applicants are encouraged to seek co-investments as the grant programme does not cover 100% of the proposed project costs. Co-investments can be in the form of cash or in-kind support.

5.3 Larger grant applications will have to meet a higher threshold related to amount of co-investment and impact to community.

5.4 It is important to note the following:

5.4.1 only projects that have co-investment (in the form of cash or in-kind support\*) will be supported;

5.4.2 projects with higher co-investment will have a higher chance of being funded;

5.4.3 projects with high impact potential will be prioritised;

5.4.4 projects that are inclusive to all communities, bring new users to the space, promotes social cohesion, and improves public housing liveability will be supported; and

5.4.5 projects that can be completed by end of October 2024 will be prioritised.\*\*

\* *In-kind support refers to a type of exchange or payment that involves goods, services, or assets. In-*

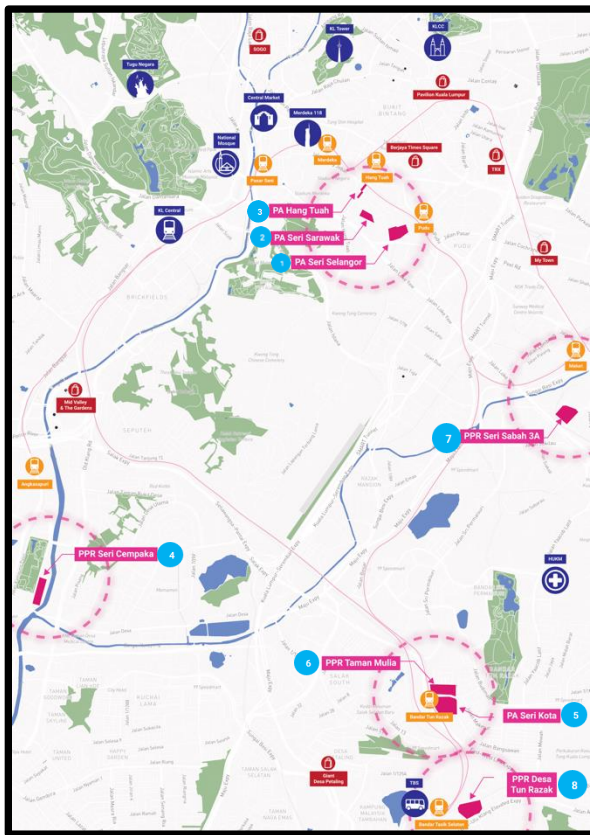

kind transactions are often valued based on the fair market value of the items or the services exchanged.

\*\* A written request must be submitted to Think City by 1 September 2024 should an extension beyond this time be required.

**13 What happens after you apply?**

- 13.1 The grants will begin to receive applications from 31 January 2024.
- 13.2 The grants programme will end when the funds are fully committed in 2024.
- 13.3 All applications are jointly assessed and approved through a highly competitive evaluation process. The application evaluation process are as follows:

**\*\*FORKOM stands for Forum Komuniti:** At each of K2K's 10 targeted locations, a dedicated secretariat comprising members from the public housing community is established. This empowered group is tasked with efficiently representing and addressing the needs and priorities of their community.

*\*Process is subject to change or alterations from time to time as may be necessary to be decided at the sole discretion of Think City.*

## **14 What happens after the applications are assessed?**

### **14.1 Successful Applications**

14.1.1 Successful applicants will receive an official email notification with the **Letter of Offer** (LOO). For applicants without email, notification will also be shared with the FORKOM and can be obtained there.

14.1.2 Applicants must revert to Think City with a signed LOO within the stipulated 7 days. Failure to accept the LOO within the validity period will result in a void application.

14.1.3 As a successful grantee, you will be required to attend the **Successful Grantee Briefing** with Think City to confirm terms and conditions of the grants.

14.1.4 Once the milestone deliverables are agreeable by both the grantee and Think City, you will receive a **Letter of Award** (LOA) stating:

- a. Approved grant amount and purpose
- b. Terms and conditions of the grant project
- c. Scope of works, list of milestones, and project deliverables

### **14.2 Unsuccessful Applications**

14.2.1 Unsuccessful applicants will receive an email notification if their application is not shortlisted.

### **14.3 Appeals**

14.3.1 Think City is unable to entertain any appeals. All decisions are final.

**15 How will you receive funding?**

- 15.1 Funding will be disbursed upon completion of agreed milestones and deliverables.
- 15.2 The funding will be disbursed within 30 days (about 4 and a half weeks) after the approval of milestone reports by Think City.
- 15.3 Percentages and deliverables of each milestone may be defined on a case-by-case basis and subject to final approval. An example of a project process flow is outlined below:

- 15.4 To monitor the performance and activity of each project, successful applicants are required to submit milestone reports to Think City to ensure accountability of the use of public funds.

**16 What are the expectations for deliverables and requirements from successful applicants?**

- 16.1 Throughout the grant period, you will be required to:
  - 16.1.1 Deliver proposed project within the grant period outlined in the Letter of Award (LOA) and adhere to reporting requirements as agreed.
